**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation could increase sales tax revenue for the Class 3-6 counties in the State if a county chooses to implement the new tax. Revenues would vary county by county with an average maximum revenue available to the counties of \$8,000,000. If all eligible counties implement the full rate, total county revenue could increase by \$193.3 million.

**Individuals & Businesses**

UCA 36-12-13(2)(c)

Enactment of this legislation could require businesses and individuals in rural counties that choose to implement this tax an additional 1% in tax on sales and services.

**Regulatory Impact**

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

**Performance Evaluation**

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
